MEMORANDUM FOR THE RECORD

SUBJECT: Ad Hoc Committee to perform initial study on U. S. Policy toward Soviet and Satellite Service Attache Personnel in the U. S.

1. The fourth meeting of the Ad Hoc Committee was held at 2:00 P.M., 28 July 1950.

2. Members present were:

[redacted] - CIA, Chairman
Mr. George R. Fearing - State
Colonel A. D. Biddle - Army
Commander W. R. Wilson - Navy

The following additional representatives were present:

Lieut. Colonel N. S. deTolly - Air Force
Mr. Richard Davis - State

3. Discussion was held on the draft of the proposed policy prepared by the Air Force committee member. After an initial expression of opinion by each committee member, it was agreed to attack the draft, line by line, to iron out the differences of opinion. While doing this, it became obvious that the Air Force and State representatives held conflicting opinions on what travel restrictions were imposed on U. S. officials in Russia. To clarify this, the State representative agreed to obtain the latest procedure required and to inform the committee. Contingent upon the actual procedures required, the draft policy was rewritten to satisfy the majority of the committee, the Air Force member feeling that the policy was too lenient.

4. Neither the FBI nor the JIG members were present at the meeting. However, Colonel Vance, JIG, had called stating that they had no substantial changes to make in the Air Force draft.

5. It was agreed that the draft policy as rewritten at the meeting would be circulated to all members and upon receipt of the exact procedures required of U. S. officials in regard to travel requests, another meeting would be called.
